

# Logistics and Supply Chain Management

Employment of logisticians is projected to grow 19% by 2033 with a median annual wage of **\$80,880** (U.S. Bureau of Labor Statistics).

**ecampus**  
UNIVERSITY SYSTEM OF GEORGIA

Organizations depend on skilled supply chain professionals to keep products moving and operations running smoothly. These Logistics and Supply Chain Management courses give you the tools to make that happen by combining core business principles with in-demand expertise in logistics, procurement, inventory management, transportation, and supply chain analytics. Through real-world case studies, hands-on projects, and cutting-edge technology, you'll gain experience solving real supply chain challenges.

This collection of Logistics and Supply Chain Management courses is offered at these University System of Georgia (USG) institutions that are part of the **State College Consortium**:
