## eCAMPUS ONLINE LEARNING

University System of Georgia (USG) eCampus administers online core courses, high-demand degrees, and post-secondary credentials through several public colleges and universities.

### Schools You Know & Trust

eCore courses and eMajor degrees are offered through Georgia public colleges and universities.

### Affordable Tuition

**eCore** courses: **\$159** per credit hour  
**eMajor** courses: **Low-Cost** Tuition

### Free Digital Textbooks

All eCore courses and a growing number of eMajor courses have free digital textbooks inside the courses.

### Free Online Tutoring

Students have access to free online tutoring options.

### Credit For Prior Learning

eMajor degrees in Criminal Justice and Organizational Leadership allow students to earn appropriate credit for verifiable college-level learning acquired through life or work experience. Credit for Prior Learning (CPL) saves students time and money on their path toward a degree.

### Personal Success Coaches

USG eCampus is dedicated to student success. Before the first day of class and throughout the entire term, Student Success Team members engage with and support our community of online learners.
