

DUAL ENROLLMENT

through eCORE

eCore courses provide an excellent choice for high school students who want to complete dual enrollment course work to **receive both high school and college credit**. With eCore courses being **entirely online**, taking one of these classes offered through a public Georgia colleges and universities means you don't have to sacrifice quality for flexibility.

Beyond gaining college credit before graduation, dual enrollment can help:

Smooth transition from **high school** to **college**

Students **graduate college** sooner

Save money on college tuition

[Learn More](#) on about Dual Enrollment through eCore
