ACADEMIC HONESTY
FREQUENTLY ASKED QUESTIONS

How long do I wait for a student to respond to a concern about Academic Honesty?

Students have up to 5 business days to respond at every stage of the Academic Honesty procedure.

Based on the student's response, I would like to allow them to re-do the assignment after consulting with an eCampus Librarian and/or with the standard late penalty within my class. Should the student be reported for Academic Dishonesty?

No, please work with the student within your course.

If I allow a student to resubmit an assignment and the new assignment continues to have academic honesty concerns, what do I do?

Please submit an Academic Honesty Concern form for the new submission. You may include notes regrading the previous submission.

Where can I find the full Academic Honesty Policy?

Please visit the eCore or eMajor Student Guide on the respective websites.

Who should I contact if I have questions about Academic Honesty?
